BRAND NEW OPTION CONTRACT (OC)

Incentives

All new and old users who top up or add a single foreign exchange 2.0 wealth management package to provide the platform with staking liquidity from 7th July can participate in this incentive plan and promotional activities

Each individual leader of different ranking will have the common requirement of (3 direct referrals + 2 indirect referrals)

[EG]

- Every referral must have at least 100 newly added members, 500 and above for 3+2.
- Every referral's staking liquidity in LP MAM+5A reaches \$2 million, and US\$10 million equivalent of sales performance for 3+2

Those who meet the requirements of the promotion and incentive policy will receive the "Subsidy Bonus" provided by GIBXChange.

Helping team leaders and members of all levels to " open trading rooms and nationwide tour of meet up training sessions with expense reimbursement " with different new numbers, foreign exchange 2.0 staking liquidity performance, corresponding subsidies and bonuses of different amounts

GIBX King of Nodes Community Agent Grand Challenge

The Incentive Subsidies And Corresponding Requirements Are As Follows

Subsidy Bonuses	Group Total Staking Liquidity	Newly Added Members
60,000 USDT	US\$10 mil equivalent (G+U)	500pax
120,000 USDT	US\$20 mil equivalent (G+U)	750pax
150,000 USDT	US\$40 mil equivalent (G+U)	1500pax

Application And Assessment Arrangements

1

All members participating in this event must submit the "Apply for GIBX King of Nodes community Agent Grand Challenge" before the deadline of the event to participate. Get the application form and submit the reward activity achievement feedback form

2

The deadline for the activity is August 31. The challenger who has filled out the application form must submit the reward activity achievement feedback form in advance, and after passing the review, they can get the process of granting subsidies and bonuses.

3

"GIBX King of Nodes community Agent Grand Challenge" (application form for joining) , and (Reward activity achievement feedback form) can be downloaded from our 2.0 official website or be obtained from our customer service

4

The subsidy bonus can only be used to reimburse the establishment of a working studio, the purchase of additional computer equipment, office space decoration, lecture software and communication equipment, national tour organization meet up training sessions, venues, shooting equipment, lecturers and staff teams, etc. All related to the promotion of GIBXChange Digital bank exchange business and product service activities, etc., each reimbursement will be reviewed by the company's outsourcing professional event planning consultant commissioner and the official receipts will be reimbursed until the allocated amount has been finished for those who meet the standard in the event.

Application And Assessment Arrangements

5

In order to help team leaders and members across the world to better plan for meet-up training and open studios, our company has specially outsourced a professional event planning consulting company. If necessary, users can ask for contact information with our customer service to inquire any information about the location of the studio and the arrangement of the event venue and they can give you professional advice and assistance in finding resources.

6

In order to ensure the fairness of activities, if users have any illegal or non-related operations that affect the normal operation of daily activities and use company resources to promote non-GIBXChange digital bank exchange business, the exchange will cancel the award qualification of the whole community and issue warning to the said community. Penalties will be imposed on serious offenders, punishment such as points deduction and the freezing of accounts may ensue.

7

All rights and final decisions belongs to GIBXChange Digital Bank Exchange

Things To Note

At present, if some community leaders already have suitable studios with at least 150 square meters of space, and have GIBXChange digital bank exchange posters posted, they can organize the work immediately.

If you need any assistance in carrying out the work, you can contact the company's customer service immediately to receive advice and provide resource integration from the company's outsourcing professional event planning consultant company.
